

To whom it may concern,

We wish to supply the following reference for Mr Bullen.

Mr Bullen has done numerous jobs for us during the last 4 years. His most recent job was to remove an old conservatory and replace with a new larger sun room extension in its place. He has previously replaced a patio, and converted our garage to a games room for us.

We have found Jason and his team to be always professional ,reliable and friendly. He always finishes his work to a excemplary standard, and always keeps us fully informed of what's happening during the project and is always happy to explain, facilitate ideas and bring new suggestions to the table.

His quotes have always been accurate and appears to have a good network of local suppliers and contacts for various matters.

We would Wholeheartedly recommend him and his team to anyone, and would be more than happy for you to view his work first hand.

Yours

Richard and Michelle Bray
